

# The Taste Of Home

Longing for the taste  
of our sweet cuisine,  
cos this food here in England,  
I'm not so keen.

I crave for some food  
that I can savour,  
with marinated spices,  
and bags of flavour.

I want some yam,  
green banana and dumpling,  
mixed in a dutch pot,  
where the soup is jumping.

Give me some chicken,  
with rice and peas.  
My belly is whispering,  
"Feed me, please!"

Juicy mangoes.  
Sweet sugar cane.  
I dream of back home,  
again and again.
