

Dressed to Impress

Dressed to impress.
Aiming for success.
Clothes far from shoddy.
Looking like somebody.
Aspiring for progress
to a life with less stress.
They hoped for the best.
They were dressed to impress.

Definitely the best dressed.
Hair curled and pressed.
No need to second guess,
when you have on your pretty dress.
Pristine suits and ties,
greeted by dull dreary skies.
But they hoped for the best.
They were dressed to impress.
